Hundreds Raising Levees Between Arkansas City, Ark. and Greenville, Miss.

Washington, April 21.—The sum of \$1,000,000 was made available by the Federal government to-day for control of flood waters of the Mississippi River, now at the highest stage in years. A measure making provision for the sum was rushed through the Senate and House within an hour after the proposal, made by Southern members, had been approved by Secretary Weeks and Director Dawes of the Budget. The measure was then signed by President Farding.

NEW ORLEANS. April 21.—Activity if the anti-flood forces along the midtie reaches of the Mississippi increased to day with the approach of the time when freshets might be expected to end the river to new high levels.

The fight to-day was centered between Arkansas City, Ark., and Greentille, Miss., where several weak spots in the embankments were noted during the night. Hundreds of men are at work raising the leveen to meet the work raising the levees to meet the
